

## **Short curriculum vitae**

**Dr Swapnil Karnik** did his MD (Pathology) from B.J Medical College Pune in 1996.

Post M.D, in order to pursue his interest in the field of histopathology, he went to The Christian Medical College (CMC) Vellore. He trained at CMC Vellore for nearly 6 years of which 4 years worked as a consultant Histopathologist.

His special interests include Oncopathology, immunohistochemistry, renal pathology (including immunofluorescence microscopy) and cytogenetics.

He is practicing exclusive histopathology in the city of Pune for the last **8** years. He is the Chief Histopathologist at Ruby Hall Clinic where he has established an Oncopathology Laboratory which has about **80 immunohistochemical markers**. The department also has immunofluorescence microscopy for diagnosis of Renal and Skin disorders.

He has flair for teaching and has **9 publications** to his credit. Currently he has ongoing research projects on Breast cancer in collaboration with the NCCS (National Center for Cell sciences), Pune.
